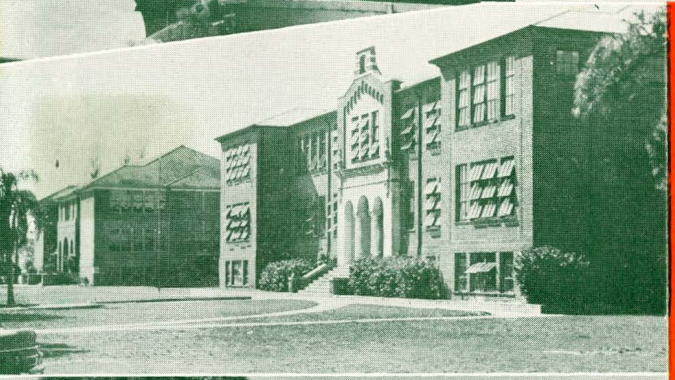
OKEECHOBEE COUNTY COURT HOUSE



Here are opportunities *plus*...

All of the basic requirements of a growing community are available in Okeechobee. Here the homeseeker will find a variety of occupations, an ideal year round climate, accredited schools, a modern new hospital, nine churches, civic activities including Rotary, Masons, American Legion, VFW, Odd Fellows, Woman's Club and the winter headquarters of the Audubon Society.

Okeechobee's location is strategic as the "Gateway to the Everglades". The city is only 36 miles from the Atlantic beaches; it's in the heart of the South Florida cattle industry and a center of this section's extensive vegetable farming region. Lake Okeechobee offers the "Best Bass Fishing in the South" the year around. Nearly 75% of the palms used in churches of America on Palm Sunday are shipped from Okeechobee.

◆

Photographs: Top: Sportsmen head for the lake and big bass; Okeechobee County Bank; modern hotel; livestock auction market. Left down: Okeechobee's fine schools; new gymnasium; Church of the Brethren. Right down: Typical Okeechobee home; school auditorium, Methodist Church. Center bottom—Baptist Church.

Seaboard Station at Okeechobee

EXCELLENT TRANSPORTATION

Daily train service via the Seaboard, gives Okeechobee easy access to all Florida and points north. Bus facilities are equally convenient. Okeechobee's airport affords mile-long paved runways to plane owners commuting by air. Mileages: Palm Beach, 75; Orlando, 110; Tampa, 140; Miami, 135. For further information, please write—
